HISTORY OF...

HURON COUNTY PLOWMEN'S PRINCESS COMPETITION

In 2005, George and Matt Townsend of MGM Townsend Tire in Londesboro, Ontario initiated and sponsored the very first Huron County Plowmen's Princess contest.

The purpose was to encourage young girls ages 12-17 years old to take an interest in the Plowing Matches and perhaps eventually participate in the

Queen of the Furrow competition.

This competition has proudly been going for 10 years strong with numerous competitors entering each year.

In 2017, the Plowmen Princess Competition will be one of the features at the IPM.
