****Also required - Complete the "Application for a Permit to Construct or Demolish"**

Building/Tent/Structure Inspections

The Municipality's Building Services Department will conduct inspections, structural and occupancy

- * Inspections may occur at the same time

During the inspections, the Building Inspector will verify the following:

- * The tents are properly anchored;
- * Tents located on fair grounds or similar open spaces, are permitted to be erected less than 3m from one another provided such closer spacing does not create hazard to the public;
- * The tents are certified to CAN/ULC-S109 or NFPA 701 for flame resistance;
- * Adequate exit facilities are provided (1 exit for tents up to 149m² (1600sqft), 2 exits for tents up to 725m² (7800sqft), for tents exceeding 725m² (7800sqft), exits are to be provided so that the travel distance does not exceed 30m (98.4');
- * Exit signs posted at all required exits;
- * Fire extinguishers are installed and posted
- * No Smoking signs posted;
- * Combustible materials not stored within tent or within 3.0m (9.8') around tent (excluding shavings);
- * Combustible shavings around the tent are dampered;
- * The electrical system and equipment in a tent, including electrical fuses and switches, shall be inaccessible to the public;
- * Cables on the ground in area used by public in a tent shall be placed in trenches or protected by covers to prevent damage from traffic.

All tents larger than 225m² (2422sqft) within the IPM grounds are required to be inspected by a structural engineer prior to opening. If your tent is not provided by the official IPM tent supplier, and larger than the size noted above, you will need to make arrangements to have it inspected.

For all non-tent structures, contact the County of Dufferin, Building Services to determine what information is required to be submitted with your building permit application.

Becky MacNaughtan, Chief Building Inspector:
County of Dufferin
