Cultivate Country

Celebrate Community

Painting by Alex Krajewski,
Cambridge, Ontario

Roseville, ON

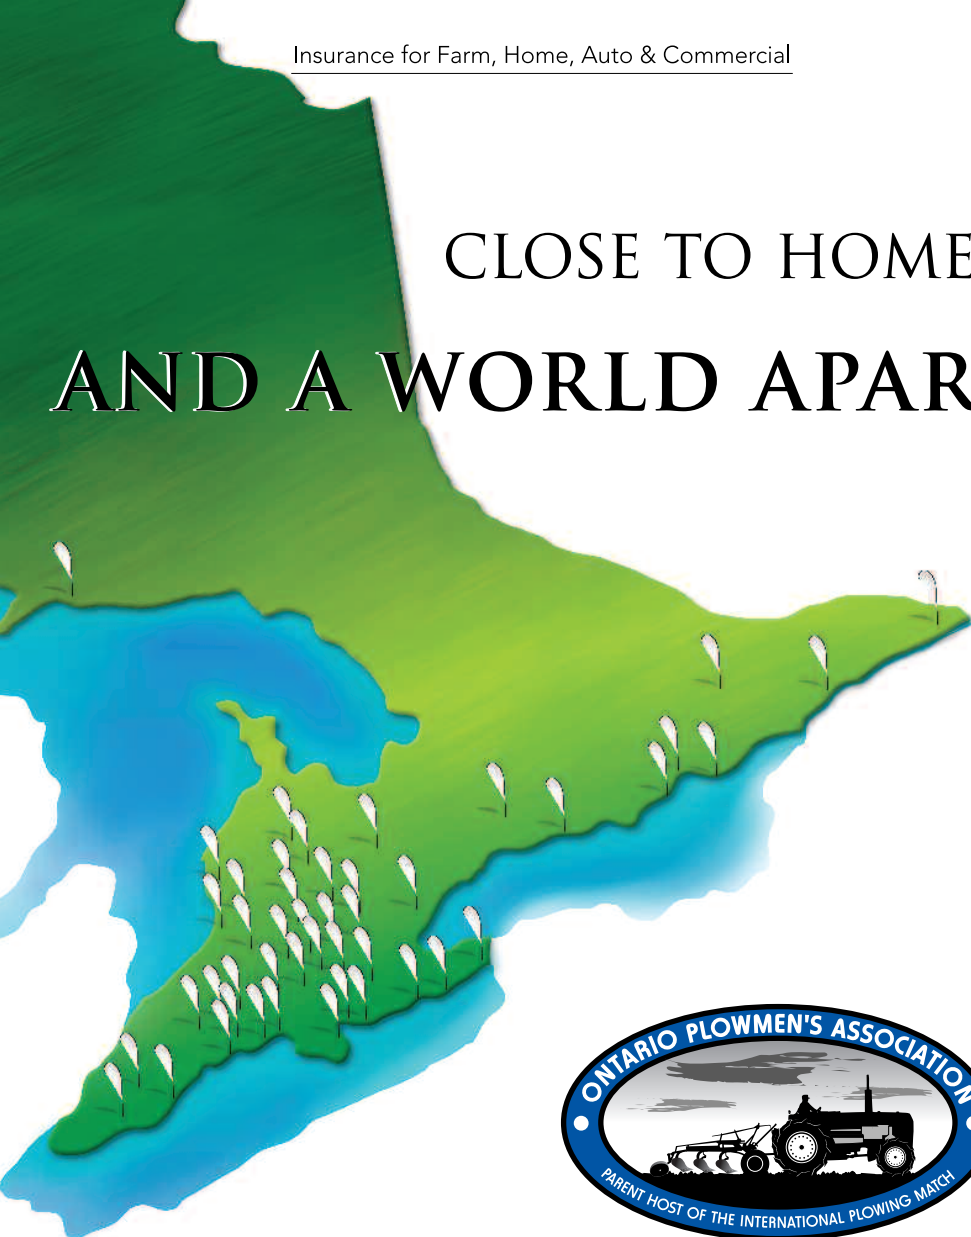

Sept. 18-22

Proudly presented by
**ONTARIO PLOWMEN'S ASSOCIATION &
2012 INTERNATIONAL PLOWING MATCH
AND RURAL EXPO**

CLOSE TO HOME... AND A WORLD APART

As the 'Farm Mutuals' we are a family of more than 45 independent insurance companies across Ontario who offer an exceptional difference: each one is policyholder-owned.

Each company has a Board of Directors elected by the policyholders. And each company flows back profits into the community.

Whether it's farm, home, auto or commercial insurance, we understand -- we're neighbours helping neighbours for more than a century.

ontario mutuals™

Welcome on behalf of the 2012 IPM Committee

Welcome to the 2012 International Plowing Match and Rural Expo (IPM). Welcome to historic Waterloo Region. This year the IPM is being hosted in the Township of North Dumfries, one of four townships and three cities that make up this unique community.

Waterloo Region is home to well over 500,000 people, most of whom live and work in the three major urban centres. This area is home to Canada's 'Technology Triangle', world renown education facilities, a wide and diverse industrial base and a major area for food processing. Even with all of that, this region has not lost touch with its rural agricultural base. Agricultural business still represents the second largest industry in this region, a testament to importance of agriculture to the province and nation.

The Waterloo Region has a long and interesting history involving early settlement by Aboriginal groups, Pennsylvanian Deutsch settlers in their Conestoga wagons as well as Scottish and German immigration and settlement. These groups are represented and reflected in our unique cultural theme which we call our 'Reminiscence Journey'. You will see this theme woven throughout the Match and we hope you will take time to enjoy this journey into our past.

The 2012 IPM will also reflect the vast commercial and business opportunities within this Region. In addition we have developed several new attractions and events including, a traditional community barn raising and a new horticultural tent including seminars on landscaping and agriculture. This year the lounge tent is being run by Kitchener-Waterloo Oktoberfest to give a real Waterloo Region experience to all those visiting that venue.

We know that you will truly enjoy your time at this year's International Plowing Match and Rural Expo and hope that you will take time to visit our Region and learn more about this unique and interesting area of Ontario. Our volunteers are ready, willing and able to assist you in making your stay memorable.

Enjoy the 2012 International Plowing Match and Rural Expo.

On behalf of the IPM, thanks for being here with us!

Sincerely,
David Pyper
Chairman

2012 Waterloo Region IPM

*Left to right(back row standing): Heidi Greb, Secretary; Rick Dunnett, Director; Mark Gerber, Director; Ray Dedman, OPA President; Gord Taylor, Director; David Pyper, Chair; Ron Sage, Director
Front row sitting: Kate Cressman, Director; Carol Sararus, Director
Absent is John Guichelaar, Treasurer.*

BMO Family Farm Award

The BMO Farm Family awards are being launched to recognize Ontario farm families who display the value of the family farm and farmers. The program, specifically, focuses on recognizing the contribution farm families are making to the enhancement of quality of life as a family unit. The program also focuses on recognizing the contribution these families make to improve the quality of life in their agricultural communities. The Ontario Plowmen's Association (OPA) and the International Plowing Match and Rural Expo (IPM) are thrilled to join BMO to host Ontario's Farm Family Award program. The inaugural Farm Family awards for Ontario will be given out in Waterloo Region at the 2012 International Plowing Match and Rural Expo to be held in Roseville, Ontario, September 18th thru 22nd.

Ontario's Farm Family Program allows each of the 48 local Ontario Plowmen's Association branches to nominate a BMO Farm Family Award recipient located within their branch's boundaries. The nominations were based on the family's contribution to the community and their farming expertise. The Awards recognize families who take an innovative approach to growing their business in the agriculture industry, and at the same time demonstrate a commitment to traditional family values. From all the exceptional nominees the following ten families have been selected to receive 2012 BMO Farm Family Awards:

- The Young Family of Les Young Farms Ltd.** BRUCE COUNTY
- The Metcalf Family of Almet Farms Ltd.** DURHAM REGION
- The Millman Family of Millhurst Farms Inc.** ELGIN COUNTY
- The Snyder Family of Snyder's Sweet Corn** HALDIMAND COUNTY (ONEIDA)
- The Comley Family of Shirlmar Farms** WENTWORTH (SOUTH)
- The Dodds Family** HURON COUNTY
- The Bryson Family of D-Line Farms Ltd.** LAMBTON COUNTY
- Hagenlea Beef of Martin & Brenda Brodhagen** PERTH COUNTY
- The Bromley Family of Spruce Briar Jerseys** REFWOOD COUNTY
- The tePlate Family of Paynebranch Farms Ltd.** STORMONT COUNTY

The recipients of the 2012 Local BMO Farm Family Awards each demonstrate the critical role they play in furthering Ontario agriculture," said Roger Robertson, Commercial Account Manager, BMO Bank of Montreal, Lucknow. "We are proud to recognize families who uphold the traditions of the past while helping the province's ongoing economic growth."

The ten families will be welcomed to the IPM for the BMO Farm Family Awards, for a full day's program including a VIP reception, brunch, awards presentation, and family photograph session on Saturday August 22th, 2012.

Ray Dedman, Ontario Plowmen's Association President says "We believe that through these awards we will be able to showcase how the values and hard work of the farm family enhance our quality of life." Both BMO and the OPA are excited about this new partnership in support of Ontario's agricultural families and look forward to a long and successful relationship; a relationship that acknowledges and celebrates excellence in agricultural, communities, farming and families.

The Reminiscence Journey

As the International Plowing Match and Rural Expo celebrates 99 years of existence, organizers of this year's 2012 Match felt it was important to reflect on the remarkable achievements of the past century. That's why they have created a brand new initiative entitled The Reminiscence Journey. A key feature of this year's match, The Reminiscence Journey is a showcase of the history of Waterloo region and its four different founding cultures.

Located in the "Golden Triangle" area of Southwestern Ontario, the region's proximity to three Great Lakes and various waterways made it a desirable site for early settlement. The area saw immigrants belonging to Scottish, German and Pennsylvania German backgrounds. The First Nations community also contributed significantly to the culture of the region and many are familiar with Joseph Brant's role in the war of 1812. Aspects from all four of these cultures will be incorporated into this year's Plowing Match.

The inspiration for The Reminiscence Journey came from a desire to see the IPM continue to thrive as the transition is made to its second century of existence. Organizers recognized the need to appeal to a broader audience, and this year's program will attract rural and urban dwellers alike. Says the project's instigator Reg Cressman: "The Reminiscence Journey will appeal to the tourism sector while also giving traditional Matchgoers something else." Traditional events such as the Plowing Competition and Quilt Show will continue the legacy of the IPM, and new food and music features will showcase the cultural diversity of the region. A grant from Celebrate Ontario made the project possible and has allowed for an exciting program of events.

Visitors to the 2012 IPM will be reminded of the vibrant heritage of Waterloo Region throughout the Tented City as discovery boards and displays link current events to their historical connection. "Profiles of local families will showcase the highlights of the region such as a family run maple syrup operation and a steam-powered tractor," says Cressman. He also hopes it will help dispel some of the myths about the cultures, in particular the contribution of the Mennonite Community. The Mennonite Disaster Service has volunteered to re-build an entire barn in just a few days during the Match. Other highlights include Highland dancing, Native drumming and a Bavarian event.

Indeed, it seems that every event at this year's match will showcase cultural diversity. As Cressman says, it will be a "celebration and a tribute to those who converted Waterloo Region from forest and field to the industrial engine that it has become." reminded of the vibrant heritage of Waterloo Region throughout the Tented City as discovery boards and displays link current events to their historical connection. "Profiles of local families will showcase the highlights of the region such as a family run maple syrup operation and a steam-powered tractor," says Cressman. He also hopes it will help dispel some of the myths about the cultures, in particular the contribution of the Mennonite Community. The Mennonite Disaster Service has volunteered to re-build an entire barn in just a few days during the Match. Other highlights include Highland dancing, Native drumming and a Bavarian event. Indeed, it seems that every event at this year's match will showcase cultural diversity. As Cressman says, it will be a "celebration and a tribute to those who converted Waterloo Region from forest and field to the industrial engine that it has become."

A New Legacy for the International Plowing Match and Rural Expo 2012

Come join us on The Reminiscence Journey! Check your schedule for cultural events and exhibits happening throughout the match for events specific to the First Nations, Scots, Pennsylvania-Germans and the Germans!

Take a journey throughout the match by following The Reminiscence Journey storyboards that let you experience the history of our region! You can do this by following The Reminiscence Journey logo.

Discovery boards have trivia question on them and will be located at rest stations throughout the match. The boards are being used in order for you to 'tune up' on your knowledge of our region's history, or to challenge your group on who's the true history buff!

Hey kids! Look out for clues on The Reminiscence Journey boards to solve the mystery case to help Patches get back in time for the closing ceremonies!

See The Reminiscence Journey information booth for more information!

Welcome!

As president of the Ontario Plowmen's Association (OPA) and on behalf of OPA executive I would like to extend a warm welcome to 2012 International Plowing Match and Rural Expo (IPM).

This is the third time that Waterloo Region has been privileged to host the IPM and we are very pleased to be hosting again this

year. The Ontario Plowmen's Association and the local organizing committee have partnered to present one of the largest outdoor ag-exhibitions in Canada. Tented city has over 550 exhibitors that will interest rural and urban visitors alike.

*Left to right (standing): Melvin Switzer, 2nd Vice President; David Murray; Ray Dedman, President; Don Priest; Charles Leduc
Left to right (sitting): Bob Hammell, Past President; Robert McLean, 1st Vice President*

Some of the events you will enjoy today include a Traditional Barn Raising supervised by our Mennonite community – taking place over the full five days of the Match in our antique area. Other features include the Queen of the Furrow competition; including young women from across Ontario. We have daily plowing competitions and demonstrations – tours to the plow fields leave regularly from Gate 4. The Hydro One Education Centre has programs for children of all ages. Don't miss the quilt show, cooking demonstrations and speakers in the lifestyles area. The large antique display, will interest everyone. Throughout the week there will be musical entertainment and we our hospitality tent is being run by the local Oktoberfest committee.

We are also proud to feature the Square Dancing Tractors and Ram Truck Coral again this year. I would like to extend a heartfelt thank you to all of our corporate sponsors. Following the lead of our presenting partners – Hydro One, Ontario Mutuals and BMO Bank of Montreal – all of our sponsors are valued partners in the IPM. Without their commitment and support, the IPM would not continue to thrive.

We are located in the heart of Ontario and there is lots for you to see and do in our Region, from the Farmers Markets to the Centre in the Square and the Clay and Glass Museum to the covered bridge in West Montrose and St Jacobs – there is something for everyone. We are please to have you join us and, together with over 1000 volunteers, we will "Cultivate Country and Celebrate Community" at this year's International Plowing Match and Rural Expo.

Ray Dedman
