## Welcome to the 2014

### INTERNATIONAL PLOWING MATCH AND RURAL EXPO

As President of the Ontario Plowmen's Association and Chairman of the 2014 International Plowing Match and Rural Expo (IPM), we would like to extend a warm welcome to the 2014 IPM.

We chose to dedicate the 2014 Match to Keith Robinson, to recognize his devotion to the craft and science of plowing. We applaud Keith as he celebrates 65 consecutive years of plowing at the IPM – a remarkable achievement!

There are many exciting new features for this year's IPM including Jennifer Jones, curling Gold Medalist at the 2014 Sochi Winter Olympics, acting as our Parade Marshall and officially opening the Match on Tuesday. Also, the decorated Canadian singer Jason McCoy will be performing on Main Stage on Saturday afternoon. Other special entertainment during the Match includes: The Martels, The Ram Rodeo Tour, The Canadian Cowgirls, Team Farmall Square Dancing Tractors, Emily Flack and a long list of great local performers.

We extend a special thank you to our Presenting Partners: Hydro One, Ontario Mutuals, and BMO-Bank of Montreal, as well as to all of our corporate sponsors. We value all our sponsors' commitment to and support of the IPM.

We would also like to thank the 2014 IPM Executive and the volunteers for their dedicated, hard work to make the 2014 IPM a great success.

Once again, welcome and enjoy the 2014 International Plowing Match and Rural Expo.

The Farming 101 tent will feature great topics all week such as Agri-Tourism, new Crops and Innovations, and Environmental Farming. Enjoy a chance to speak with the experts around the tailgates of the farm trucks. Don't miss our centrepiece miniature family farm depicting the environmental practices of today's farmers.

## BMO Ontario FARM FAMILY AWARDS

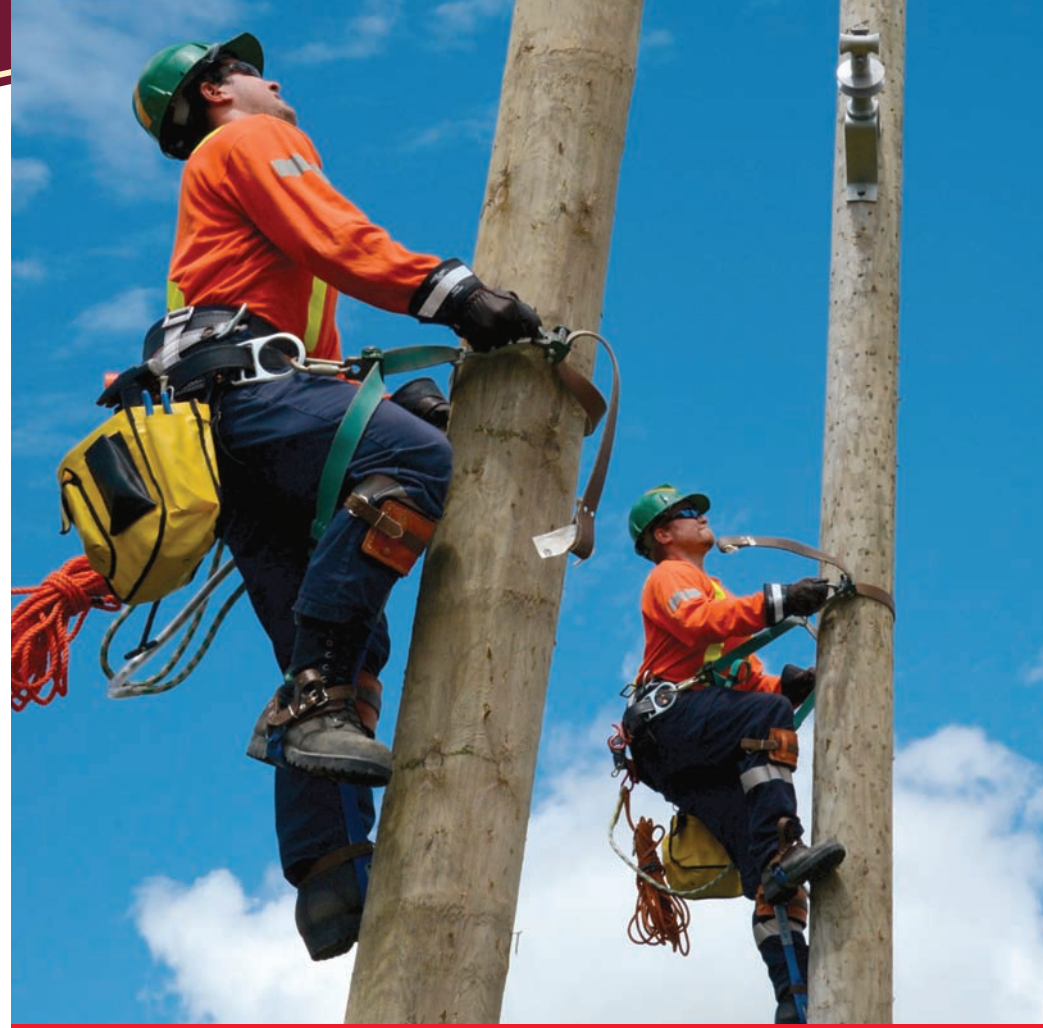

The third annual BMO Ontario Farm Family Awards will be presented to this year's honourees at the 2014 International Plowing Match and Rural Expo (IPM) in Simcoe County. The Ontario Plowmen's Association (OPA) and the 2014 International Plowing Match and Rural Expo are thrilled to continue the partnership with BMO Bank of Montreal to host the BMO Ontario Farm Family Awards program.

The BMO Farm Family Awards were launched in 2012 to recognize Ontario farm families who represent the values of the family farm and farmers and encourages each of the 48 local branches of the Ontario Plowmen's Association to nominate a family within their branch area. The program recognizes farm families and the contribution these families are making to the enhancement of quality of life as a family unit within rural communities across Ontario. The program also emphasizes the contribution these families have on improving the quality of life within their agricultural communities. The third annual Farm Family Awards for Ontario will be given out at the 2014 IPM in Simcoe County the final Saturday of the 5-day event.

## AN ELECTRIFYING EXPERIENCE

In the weeks before the International Plowing Match, a team of Hydro One's apprentices work with their mentors and teachers. Together they design and build the electricity system that supports all of the fun of the IPM.

Our sponsorship provides the electricity system to the IPM by letting our young workers show-off their skills.

With connections in every corner of Ontario, we're proud to be part of the communities where we live and work.
